TOP GUN 4 KIDS

Now KIDS can have fun while Mom and Dad take in the Summit activities!

Let your aspiring Cyber Surgeons see if they have the right stuff to one day take surgery to a whole new level...

Let your child determine who is the best of the best at validated video games 4 good and laparoscopic skill development drills. Then get ready for the team competition when the children and the parents have to work together to win special prizes and awards. Come join us in this great event where no one loses and everyone wins by having fun.
